Mr. Price stated there was a souvenir program sold during African American Day in Santa Fe and this committee placed an ad in the program.

Mr. Price stated they could have a competition within the fun run for the organization that had the largest group. If they promote it that way then they may be able to get more participation. The organization with the most will be awarded a plaque. Ms. Collins stated they need to focus on the talent show or do away with it.

Ms. Collins asked who was going to be the MC this year. Mr. Price stated he has not spoken with anyone regarding that yet. He will start looking into that in the near future.

Ms. Collins asked if they could look for someone to lead "We Are the World". Mr. Price stated in the past they have done that and should be able to do it again. He stated they could look for a youth group to sing it and have a praise dance done along with it.
