CITY CODE READS AS FOLLOWS:

CHAPTER 15.44 – FENCES

SECTIONS: 15.44.0200 INTERIOR LOT FENCE RESTRICTIONS

It is unlawful to construct, alter or maintain any fence greater than 24 (twenty-four) inches in height between the street line of any interior lot in this city and the front building line of such lot. A woven wire or other fence not more than 48 (forty-eight) inches in height, and with openings therein of not less than 80% of surface area, may be constructed between the street line and the building line. The openings in the fence shall at all times be no less than 80% of surface area. (Prior Code 17-13)

Please contact the Building Safety Department at 575-769-7829 (or visit us at 321 N. Connelly St.) with any questions.
