I hereby certify that all information and measurements in this application are correct and that any additional required permits will be obtained. All work will be performed in strict accordance with the building, zoning, electrical and plumbing codes of the City of Clovis, New Mexico. Furthermore, I understand that I am responsible for ensuring that all work is completed in compliance with the Americans with Disabilities Act (ADA). I understand that the permit fee may be doubled if work is begun prior to obtaining a permit and that the permit card must be posted at all times during construction. Applications are subject to approval. I have read and understand this statement.
