Dear Resident,

K. Barnett and Sons is planning to begin work on some of the streets in your neighborhood on **Monday, February 5th**. The work consists of the pulverization of the existing asphalt surfacing, grading, and placement of new hot-mix asphalt. We anticipate the work to be complete, weather permitting, by **Thursday, February 15th**.

The work will be performed Monday through Friday between the hours of **7am and 5pm**. During this time there will be no on-street parking, and the work area will be closed to all but local traffic. The work area will be open if no work is taking place, but on street parking will be limited by the presence of our equipment. Please have vehicles out of the work zone by **7:00am**.

I realize this is going to be an inconvenience and can assure you we will do our best to get this work completed as fast as we can during civilized hours.

Please see the back of this page for a map of the affected streets. If you have any questions or specific concerns, please don't hesitate to contact us at: 762-4407.

Thank You,

A handwritten signature in black ink, appearing to read 'H. McLemore'.
