

DR. MLK, JR. BLVD

Beginning February 5th, 2024, the Dr. Martin Luther King, Jr. Blvd Phase II Improvements project will begin. The project area is from 7th Street to 21st Street along Dr. MLK, Jr. Blvd. This project includes road reconstruction of Dr. MLK, Jr. Blvd., Worthington Ditch drainage improvements, utility relocation, replacing traffic lights, & replacing school flashers. This project also includes the installation of new sidewalk, curb & gutter, signage, and striping.

Follow detour signs and roadwork traffic signs as access to and along Dr. Martin Luther King, Jr Blvd. will change over the course of construction.

Thank you,
