CLOVIS, NM (*March 29, 2024*) – Starting on April 1, 2024, the road connecting the Hillcrest Park Zoo parking lot and the N Norris Street Hillcrest Park entrance will be closed due to the Hillcrest Park Well program project being conducted by EPCOR. It is anticipated that the closure will last approximately three days, during which time access through this area will be restricted. Alternative routes and parking options will be available during the closure period. Visitors are encouraged to use the designated parking areas accessible from alternate entrances to Hillcrest Park.
